## College Board School Code (CEEB)

<https://schoolcode.collegeboard.org>

### Streamlined Application Process:

- Most U.S. universities rely on CB codes when processing applications.
- Leading U.S. application systems such as the **Common App**, **Coalition App**, and **Common Black College App** (HBCUs) accept these codes for easy identification of your school.

### Data Reporting:

- You get valuable data when your students take College Board standardized tests like the SAT or Advanced Placement (AP) Exams.

### Administer College Board Exams:

- With a level 2 code, your school can deliver PSAT and AP Exams at your institution.

# For international students, the SAT is an important tool to put achievement in context

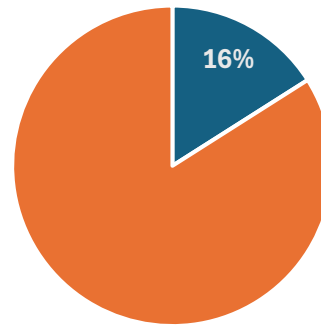

Nearly 90% of international students in the class of 2023, had SAT scores **that confirmed or exceeded their secondary school GPA.**

**Almost all 4-year colleges and universities in the U.S. and 500+ universities in 70+ other countries report that they accept the SAT for admission or scholarships.**

# Why Offer the SAT?

“Students admitted with known test scores had better academic outcomes than students who were admitted without test scores.”

—*Cornell Task Force on Use of Standardized Testing in Admissions*

- **Important part of global university admissions:** The SAT helps students to be seen by universities worldwide.

- **Measures what matters:** the core reading, writing and math skills essential for success in university-level courses.

**Explore AP**  
If you took the PSAT<sup>™</sup> 8/9, PSAT<sup>™</sup> 10, PSAT/NMSQT<sup>®</sup>, or SAT<sup>®</sup> your score report will provide you with information about which Advanced Placement (AP<sup>®</sup>) courses you're likely to do well in. AP Potential is just one measure of your potential to succeed in AP courses, so even if you don't show AP Potential for a course, your motivation and learning gains since testing may suggest you are ready. Check with your school counselor about your options.  
Of the 39 AP Courses, AP Potential is calculated and reported for 9th-graders for 6, and for 10th- and 11th-graders for 24; we list the other courses for reference.

# What is AP?

**The Advanced Placement (AP®) Program® helps students connect with university opportunities globally.**

**40 university-level courses taught in secondary schools.**

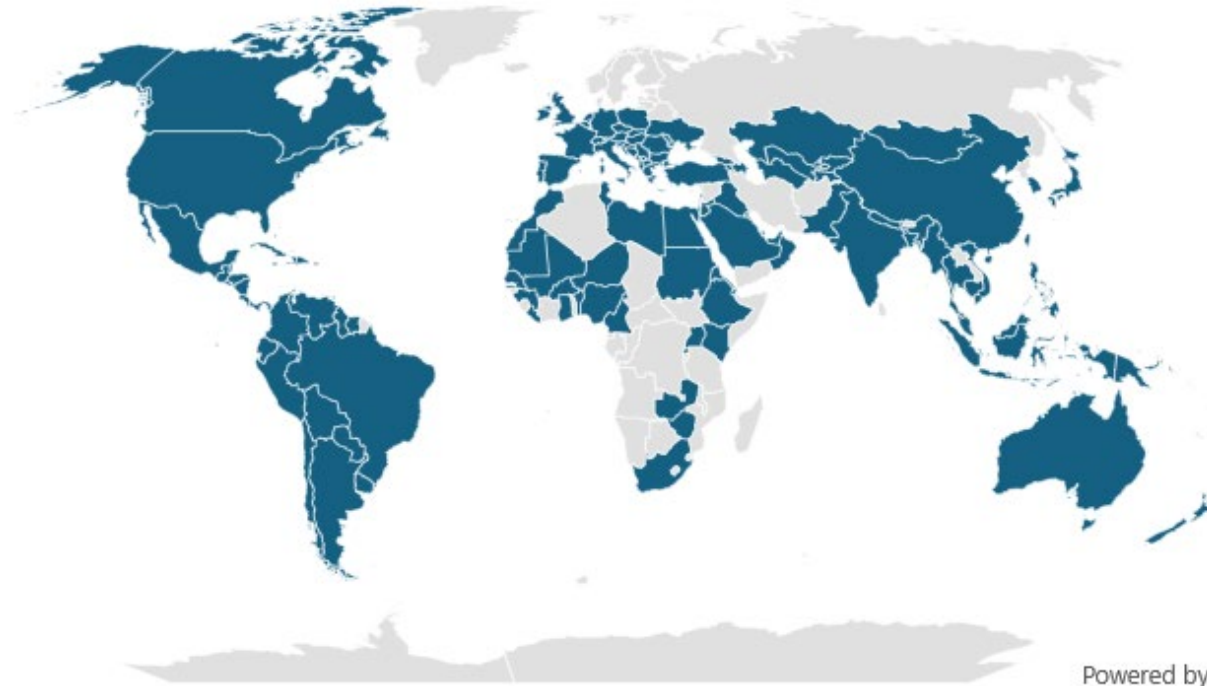

**End-of-course assessment externally developed and scored by university faculty and experienced AP teachers.**

**Help students stand out on university applications worldwide.**

**Enable students to earn credit and/or skip introductory courses in U.S. and Canada.**

# AP Exams Offered in More Schools than Ever Before

# Universities Around the World Trust AP

AP provides assessments that are rigorous enough for colleges and universities to use as the basis for admissions and granting credit.

## Trusted Standards

The learning standards and curricular requirements for an AP course are developed by a committee of college faculty and expert AP teachers.

## Trusted Exam

The achievement expectations for an AP Exam are informed by national experts in the field and validated by studies of how well AP students do in subsequent college courses.

## Trusted Graders

AP Exams are scored by college faculty and AP teachers led by tenured higher education faculty members.

## Trusted Score

AP Exams measure student knowledge and skills using rigorous psychometric standards.

# Broadening Access to AP

The right AP® classes at the right time can open university opportunities.

# AP Precalculus keeps opportunities open.

Schools are choosing AP  
Precalculus for their students.

More than 175,000 students took the AP Precalculus Exam in 2024.

**Students are succeeding.** 3 out of 4 students scored 3 or higher.

**Schools outside the U.S. already offering.** 435 offered last year.

# AP African American Studies launches globally in 2025-2026.

## Students who take AP African American Studies are thriving.

### Daily encounters with sources from fields

- Such as literature, the arts and humanities, political science, and geography.

### Deep dive into relevant interests

- Students spend 3 full weeks on an interdisciplinary project on a related topic of their choice.

### Preparation for a wide range of careers

- Students gain knowledge and skills that prepare them for professions like:
  - Author
  - Journalist
  - Diplomat
  - Lawyer
  - Teacher
  - Filmmaker
