
International Quick Reference Guide **2022-23**

**EVERYTHING YOU NEED TO KNOW ABOUT
COLLEGE BOARD PROGRAMS AND SERVICES**

- SAT[®] Suite of Assessments
- Advanced Placement[®] Program (AP[®])
- AP Capstone[™]
- CSS Profile[®]
- BigFuture[®]
- SpringBoard[®]
- Pre-AP[®]
- Services for Students with Disabilities (SSD)
- Additional International Resources

The College Board wants to help you prepare your students for university. Millions of students a year benefit from our programs and services, such as SAT[®] Suite of Assessment (SAT, PSAT/NMSQT[®], PSAT[™] 10, PSAT[™] 8/9), Advanced Placement[®] Program (AP[®]), and BigFuture[®].

Read on to learn about what we offer, what resources are available, and how we can help you and your students.

SAT Suite of Assessments

The SAT® Suite of Assessments reflects what students are already learning in their classrooms and gives you benchmarks for assessing students' progress as they enter and move through secondary school. The tests share a common score scale, making it easier to measure growth. Research shows students can get ready for university and improve their score by taking an assessment from the SAT Suite in 9th, 10th, and 11th grades. Students register themselves to take the SAT on a weekend at a test center; for PSAT-related assessments, schools can test their students in their own school.

SAT

The SAT is a globally recognized university admission test that's widely accepted by universities in the U.S. and around the world. Millions of students take the test each year as a step on their path to university, including universities that are test optional.

The SAT is one of the most accessible and fair ways for students from all backgrounds to show what they know and stand out to universities. Students most often take the SAT for the first time in the spring of their junior year (U.S. grade 11) and again in the fall of their senior year (U.S. grade 12). See the full 2022-23 SAT administration calendar at satsuite.collegeboard.org/sat/registration/international-testing/dates-deadlines. Students can register to take the SAT at mysat.collegeboard.org/dashboard.

Digital SAT: The SAT Suite of Assessments is adapting to meet the evolving needs of students and educators. International centers will administer the digital SAT starting in March 2023. The digital PSAT 8/9 and PSAT/NMSQT will be administered starting in September 2023. In the U.S., the digital SAT will be administered starting in March 2024. Learn more at sat.org/digital.

PRACTICE

College Board and Khan Academy® have partnered to offer free practice for the SAT Suite of Assessments. Today more students use Official SAT Practice on Khan Academy than all paid test prep programs combined.

Students can visit Official SAT Practice at satpractice.org to get SAT practice resources from Khan Academy. Students can also visit sat.org/practice to access sample SAT questions and full SAT practice tests for both the paper and pencil and the digital SAT.

SAT WEEKEND FEES*

Registration Fee for Paper and Pencil Testing

SAT: \$60

Non-U.S. Regional Fees**

Africa (sub-Saharan): \$43

Americas: \$43

East Asia/Pacific: \$53

Europe and Eurasia: \$49

Middle East/N. Africa: \$47

South and Central Asia: \$49

Score Reporting Fees

(Four score report requests are included with registration)

Each additional score report request: \$12

Rush order (per order): \$31

Scores by phone (per call): \$15

Scores by web: Free

Archived scores: \$31

SAT Question-and-Answer Service: \$16

SAT Student Answer Service: \$16

Hand score verification: \$55

Processing Fees†

Reregistration by phone: \$15

Manage registration (change center): \$25

Cancel registration (required for change date): \$25

Late cancel registration: \$35

Additional administrative fee†: \$24

Students register themselves to take the SAT on a weekend at a test center.

* Fees for digital SAT will be communicated in the fall of 2022 with the opening of registration for spring 2023 testing.

** Go to sat.org/international for a list of countries and their regional designations, as well as centers subject to the additional administrative fee.

† Some fees may be waived for students affected by center closures due to covid-19.

Our top priorities are the health and safety of students and educators. Visit sat.org/covid19 for more information.

IMPORTANT:

To see administration dates and any changes to the testing schedule, go to sat.org/international.

For the most up-to-date information on the SAT, see sat.org/register.

Sunday test dates immediately follow the Saturday test dates.

SAT Suite of Assessments (continued)

PSAT/NMSQT, PSAT 10, and PSAT 8/9 are available for schools to order online, all in one place, with multiple test day options for each assessment. [ordering.collegeboard.org](https://collegeboard.org/ordering)

Research shows students can get ready for university and improve their score by taking an assessment from the SAT Suite in 9th, 10th, and 11th grades.

PSAT/NMSQT

Preliminary SAT/National Merit Scholarship Qualifying Test

Historically, students who took the PSAT/NMSQT scored higher on the SAT, on average, than students who didn't take the test.

collegeboard.org/psat-nmsqt

PSAT 10 AND PSAT 8/9

For both the PSAT 10 and the PSAT 8/9, schools may test on any weekday during the testing periods. (Deadlines and dates may vary.) The PSAT 10, which covers the same content areas as the PSAT/NMSQT, serves as a check-in on progress, allowing students and teachers to pinpoint areas for focused practice as students progress through secondary school. The PSAT 8/9 sets a readiness baseline.

collegeboard.org/psat-10

collegeboard.org/psat-8-9

The AP Potential™ tool uses SAT, PSAT/NMSQT, PSAT 10, and PSAT 8/9 scores to help you identify students likely to succeed in AP. In addition, student score reports recommend AP courses that might be good matches.

PRACTICE FOR PSAT/NMSQT AND PSAT 10

To get ready for the PSAT/NMSQT or PSAT 10, students can visit collegeboard.org/psatpractice for full practice tests and sample questions. There's also a full practice test included with the *PSAT/NMSQT Student Guide*.

Because the PSAT/NMSQT and PSAT 10 follow the same assessment design principles as the SAT, students can also use Khan Academy free personalized SAT practice resources at satpractice.org to get ready for the tests.

ORDERING

Schools can test their students in their own school. For international schools, the PSAT/NMSQT, PSAT 10, and PSAT 8/9 are available for schools to order online, all in one place, with multiple test day options for each assessment. ordering.collegeboard.org

Test Fees

PSAT/NMSQT or PSAT 10: **\$18** (fee waivers for PSAT/NMSQT can be requested during invoicing)

PSAT 8/9: **\$14**

Shipping surcharge for schools outside the U.S., Canada, and U.S. territories: **\$8 per test ordered**

IMPORTANT DATES

You'll find all dates and deadlines for PSAT-related assessments at sat.org/suite-info. For additional updates, see sat.org/covid19.

Services for Students with Disabilities (SSD)

College Board is committed to providing accommodations—such as large print, braille, or extended time—to students with disabilities. All testing accommodations must be approved by the College Board SSD office prior to the test. Schools can use SSD Online to request, manage, and track accommodation requests. For information on how to access SSD Online, visit collegeboard.org/ssdonline.

The accommodation approval process takes **approximately seven weeks** when document review is needed. To ensure enough time to process your students' requests, accommodation requests should be submitted as early as possible. A full calendar of deadlines can be found at collegeboard.org/ssd-calendar. Specific details regarding documentation requirements and deadlines can be found at collegeboard.org/ssd.

Advanced Placement Program

The Advanced Placement® Program (AP®) gives secondary school students the opportunity to study and learn at the university level. It offers 38 courses and exams in a wide variety of subject areas. Nearly all colleges and universities in the United States—as well as many institutions in more than 60 other countries—grant credit, placement, or both for AP scores or acknowledge AP scores in the admissions process.

AP CAPSTONE DIPLOMA PROGRAM

AP Capstone™ is a diploma program from College Board based on two yearlong AP courses: AP Seminar and AP Research. Rather than teaching subject-specific content, these courses develop students' skills in research, analysis, evidence-based arguments, collaboration, writing, and presenting. Students who complete the two-year program can earn one of two different AP Capstone awards, which are valued by universities across the United States and around the world.

Apply to be an AP Capstone school here: collegeboard.force.com/APCapstone/s/

2023 EXAM ORDERING DEADLINES

November 15, 2022, by 11:59 p.m. ET: Deadline for AP coordinators to submit the exam order for all full-year and first-semester AP courses and all exam-only sections.

March 15, 2023, by 11:59 p.m. ET: Deadline for AP coordinators to submit the exam order for all AP courses that begin after November 15 and to update fall orders (fees may apply for changes made to fall orders).

2023 EXAM FEES

- Standard: **\$97 per exam** (schools in the U.S., U.S. territories, Canada, and all DoDEA schools)
- Outside the U.S., U.S. territories, and Canada: **\$127** (fees may vary for exams at College Board–authorized test centers outside the U.S.)
- AP Capstone: **\$145 per exam** (AP Seminar or AP Research)
- Late-order and late-testing fee: **\$40 per exam in addition to the base exam fee**
(Applies to each exam ordered between November 16 and March 15; doesn't apply to exams for courses that begin after November 15 or for students who transfer to your school.)
- Unused/canceled exam fee: **\$40 per exam**
(The original exam fee is removed from the invoice. AP coordinators submit known exam cancellations in AP Registration and Ordering by March 15, 2023, 11:59 p.m. ET, or indicate as unused any exams that are ordered but not taken in AP Registration and Ordering before your school's invoice is generated.)

2023 FEE REDUCTIONS

College Board provides a \$35 fee reduction per exam for eligible students. Schools are expected to forgo their \$9 rebate for these students, resulting in a cost of \$53 per exam (for international: \$83 per exam; for AP Seminar or AP Research Exams: \$101). Many states use federal and state funding to further reduce the exam fee for these students.

Pre-AP

Pre-AP® courses deliver grade-level instruction through focused course frameworks, instructional resources, classroom assessments for learning, and high-quality professional learning. It offers 12 courses across multiple domains: English, math, science, world history and geography, and the arts offered at secondary schools. The courses are designed to support all students across varying levels of readiness. They're not honors or advanced courses. The program components provide educators and their students the space and time for deep engagement with the most essential and relevant concepts and skills, and courses are back mapped from AP course expectations. Across Pre-AP courses, students experience shared instructional practices and routines that develop the critical thinking skills they need to succeed in AP and other university-level coursework.

Participating schools receive an official Pre-AP designation for each course and the opportunity to bring engaging, meaningful, foundational coursework to all their students across varying levels of abilities. This designation signals consistent, high standards in focused courses that build, strengthen, and reinforce students' content knowledge and critical thinking skills.

To learn more about Pre-AP or place an order, visit our website.

SpringBoard

Designed by teachers for teachers, SpringBoard® offers student-centered instructional materials in math and English Language Arts for students in the equivalent of U.S. grades 6–12. SpringBoard puts students in charge of their learning, preparing them with the skills and knowledge that matter most for university and career readiness. We structure classroom activities to engage active learning through discussion and collaboration. SpringBoard offers both print and digital core instructional materials that are fully aligned to state standards, Advanced Placement coursework, and the SAT Suite of Assessments. The program features student materials, teacher resources, and formative and summative assessments, as well as professional learning for teachers and administrators.

BigFuture

Powered by College Board, BigFuture® is a free, comprehensive set of digital resources that help all students take a productive first step after high school. Informed by students, insights from professionals, and over 100 years of College Board expertise, BigFuture simplifies a complex process into key actions that all students can take to explore careers, plan for university, and pay for university. Visit bigfuture.org.

PLAN FOR UNIVERSITY

STUDENT SEARCH SERVICE

Student Search Service™ is the way thousands of universities and scholarship programs connect with more than 5 million students. Students and families are in the driver's seat when they use Search. By joining, students have the opportunity to hear directly from over 1,500 four-year universities. Every year, \$300 million in scholarships is available from universities that use Search to find students—and it's still growing. Student Search makes a positive difference in university enrollment and graduation rates. Research shows that students who connect with universities through Student Search receive, on average, 29% more offers of university admission and are more likely to graduate university in four years than similar students who weren't identified through Student Search. The program is free for students, and they can join and opt out anytime. studentsearch.collegeboard.org.

COLLEGE SEARCH

Students can search and filter over 3,000 university profiles with rich content about campus life and admissions provided by the universities themselves. Students can filter by location, size, school type, and major. They can explore university profiles to learn about admissions requirements. Throughout high school, students can build a list of schools that interest them and eventually strengthen that list with a balance of reach, match, and safety schools. Visit bigfuture.org.

CSS Profile

The CSS Profile® is a common financial aid application. It's used by hundreds of colleges, universities, professional schools, and scholarship programs to award billions of dollars annually in nonfederal U.S. institutional funds. The application is available October 1 each year.

A College Board account is required to complete the CSS Profile; students are asked to use the College Board account they used when registering for the SAT or viewing scores online. Once students create an account, they can complete and submit the application at any time. Once submitted, the CSS Profile is sent to designated universities or programs. cssprofile.org

DATES

CSS Profile begins accepting 2023-24 applications: **October 1**

PAY FOR UNIVERSITY

SCHOLARSHIP SEARCH

Scholarship Search is a free tool that matches students to a personalized list of scholarships based on their background, achievements, and future interest. Students can explore and match with over \$4 billion in scholarships that they may qualify for. For many scholarships, students can use the "Auto-fill" function to automatically transfer saved information from one application to another. Visit bigfuture.org.

EXPLORE CAREERS

CAREER SEARCH

BigFuture Career Search is an engaging, personalized career exploration tool that helps students discover careers based on their interests, skills, and localized labor market information. Students can explore over 1,000 career profiles across a variety of education levels and view job requirements, projected salaries, and growth potential. Visit bigfuture.org.
