

# Use the SAT for Admission to Universities in India

## The SAT in India

Thousands of universities around the globe have been using the SAT® for decades to make admission decisions. And now, many of India's leading universities also accept SAT scores from Indian students.

### ADVANTAGES OF THE SAT:

Students in India can

Use one entrance exam to apply to many universities across India

Prepare for the SAT with free, personalized Official SAT Practice on Khan Academy®, with eight full-length practice exams

With SAT administered 4 times a year, students can take the SAT more than once if they choose to

Fee reduction of up to 90% available on the SAT exam and 100% college tuition scholarships available for eligible students in India

To learn more about the SAT, visit [SAT.org](https://sat.org)

## The SAT Fee Reduction Voucher

Eligibility Criteria for the 90% discount voucher:

- Resident of India
- Annual household income < INR 4,00,000
- Takes the SAT in Class 11 or 12

Eligibility Criteria for the 50% discount voucher:

- Resident of India
- Annual household income between INR 4,00,000 and INR 10,00,000
- Take the SAT in Class 11 or 12

To apply, please visit [buddy4study.com/collegeboard](https://buddy4study.com/collegeboard)

# The College Board India Scholars Program

Taking the SAT places you in the running to be recognized as a pan-India top performer and a College Board India Scholar. Top-performing students with financial need will be eligible to receive a full scholarship co-funded by the College Board and the participating university where the student will enroll.

## THREE SIMPLE STEPS:

### 1 TAKE THE SAT

- Offered 4 times a year across India
- Free, personalized practice on Khan Academy

### 2 EARN "SAT INDIA TOP PERFORMER" RECOGNITION

- Recognizes academically talented Indian students
- Any student achieving score of 1350 and higher (out of 1600)

### 3 APPLY AND ENROLL TO AN ALLIANCE UNIVERSITY

- Annual household income < INR 4,00,000
- Full tuition scholarships for winners at participating alliance universities in India

If a student takes the SAT in Class 11, they will need to retake the exam in Class 12 to be eligible for the scholarship program.

## SAT POLICIES IN INDIA

Use the following chart to find out the following:

- Which Indian universities accept SAT scores
- Where you can send your SAT scores for free
